

## *Harrow District Masonic Centre Fabric Fund*

The Centre has served Masons for over 54 years and there now few active masons who remember its opening in 1953. In order to fund modifications to the building to suit masonic activities, a building Fund was created. It took over twelve years to complete these modifications. The work did not stop there and is still continuing with the building fund now renamed the Fabric Fund.

We all benefit from the improvement of the facilities available in this Centre, made available by money raised by the fund. We still need your help.
